1. La- Today is gonna be the day
that they're gonna throw it back to you
La- By now you should've somehow
Realized what you gotta do
- La- I don't believe that anybody
Sol Feels the way I do about you now
2. La- Backbeat the word is on the street
That the fire in your heart is out
La- I'm sure you've heard it all before
But you never really had a doubt
- La- I don't believe that anybody
Sol Feels the way I do about you now
3. Fa And all the roads we have to walk along are
La- winding
Fa And all the lights that lead us there are blinding
Fa There are many things that I would
Do Sol La- Like to say to you
Fa Re But I don't know how
- La- Do Sol Because maybe
Fa La- Do Sol You're gonna be the one who saves me
Fa La- Do Sol And after all
Fa La- Do Sol Fa You're my wonderwall
